The screenshot shows the PapersOwl website's free plagiarism checker interface. The browser address bar displays 'papersowl.com/free-plagiarism-checker'. The page features a dark blue header with the PapersOwl logo, navigation links (Services, Writing Tools, How it Works, Support, About us), a 'LOG IN' button, and an 'ORDER NOW' button. A prominent banner reads 'Free Plagiarism Checker By PapersOwl'. The main content area contains a text input box with the following text: 'climate change predictor using time series forecasting an engineering project in community service phase ii report submitted by 1 aabir datta 19bce10062 2 uday agarwal 19bai10147 3 abdul raziq khan 19bce10135 4 parv bhargava 19bai10116 5 aryan tandon 19bai10148 6 vimal tiwari 19bcg10054 7 govit khasare 19mim10094 8 mriganka shekhar das 19boe10053 in partial fulfillment of the requirements for the degree of bachelor of engineering and technology vit bhopal university'. Below the text, it indicates '2713 words (13898 characters)' and provides links to 'Recheck this text after changes' and 'Check another text'. To the right, the results show 'SIMILAR 0.0%' and 'ORIGINAL 100.0%' with the message 'Well done, your text is unique!'. Below this, there is a promotional message: 'Need an essay written but don't have the time? With PapersOwl you'll get it professionally researched, written and received right on time!' and a 'GET MY ESSAY DONE' button. At the bottom, there are three service options: 'Proper citation style', 'Write on your own', and 'Rewriting Service'. A 'TrustedSite' badge is visible in the bottom right corner.
